FROM CHRISTOS NANOURIS TO ALL OF YOU

One day a peaceful man, who was teaching that love and kindness are the only weapons a person can use in his life, made a whip of cords and violently chased some people out of a building.
The name of this peaceful man who turned violent was **Jesus Christ**.

And making a whip of cords, he drove them all out of the temple.
— John 2:13–16

The crime of those people was that they were exchanging currencies in this building.
Their crime was at that time hundred percent legal as it is still today.

The crime of Dr. Christina Hohenwarter and Hofrat Hans Hohenwarter is that they stole my kids from my life with police force and **HUGE LIES under oath in a court of law**.

The crime of Dr. Christina Hohenwarter is that she **unlawfully** keeps my children away from their beloved father **demanding money from me to see my little children**.

She makes more than 90.000 euros net per year **while I am completely broke and unemployed** and she has unlawfully and unilaterally decided that I have to see my little children under supervision **and pay 92 euros per hour for it**.

This is a description of how the bottom of society looks like.

Throughout my life, I have also taught others that love, kindness, and **intelligence** should be the only weapons in a man's life.

And my name is Christos, named after this peaceful man, or God for the most of you, who turned violent when the circumstances were there.

I have done **ABSOLUTELY EVERYTHING** within the "law and order" to see my little children, **who I have seen only for 4 hours in the last 20 months**.

DO NOT FORGET THIS.

JUST DO NOT FORGET THIS.

If this man, or God for the most of you, turned violent to people who were acting lawfully, what a man can do to those who act unlawfully?

Violence has never been part of my life and that's why on Saturday the 5th of September at 09:00 I will be at Presseggersee 79 to **PEACEFULLY** pick up my little children and spend the day with them.

At 19:00 I will bring them back to Presseggersee 79.

This is the ethical, legal, correct, decent, honourable, intelligent, and etc way that two parents who are divorcing should deal with their children.

MAKE IT HAPPEN BECAUSE I AM RUNNING OUT OF INTELLIGENCE, THE ONLY WEAPON I HAVE USED SO FAR IN MY LIFE TO DEAL WITH THIS IMMENSE UGLINESS THAT YOU CALL HUMAN CIVILISATION.

Christos Nanouris
