**Subject:** Abusive/illegal use of webpage (nanouris.com) [Ref: L7M8V3F]

Dear Chris H.,

I refer to your mail dated from 26/08/21. Unfortunately, there was a mistake on our side, so the relevant court rulings were not attached to the e-mail. I am attaching them right now. Please be diligent with them due to privacy.

Both court decisions are completely in German, but it should be evident that Mr. Christos Nanouris has been sentenced due to these occurrences, which are related to your hosted website (<https://www.christos.nanouris.com/>). Furthermore, the interim injunction from the county court of Villach and Hermagor should be quite easy to understand, because the only addressed topic in it is the given webpage and the obligation to take it down.

Lastly, we want to point to the fact that Mr. Nanouris is probably also violating your company's terms of service and policies.

Thank you for your fast assistance – unfortunately, the website is still online!

Sincerely yours,

Walter Dorn
