Dear Mr. Dorn,

With this email, I would like to ask you to reconsider your decision that I will see again my kids only if I accept to sign sole custody to my wife.

The love of my kids to me and my love to them should not be exploited in order for you to achieve your professional agenda.

I am pleading that you reconsider and allow me to spend some time with my kids this weekend, understanding that these kids need their father.

Yours sincerely,
Christos Nanouris
